

FINDING FAITH: Small Group Bible Study inspired by the movie "The Life of Jesus"

## INTRODUCTION

*The Life of Jesus* is a unique film that is a "word-for-word" adaptation of the biblical text. As a result, the film's plot is the Gospel itself, meticulously following Jesus' ministry from the opening verses of John to his post-resurrection appearances. The movie provides a powerful visual and auditory experience of key events, including Jesus' miracles, his teachings, and his ultimate sacrifice. This Bible study guide is designed to help you explore the profound theological truths presented in this cinematic journey through the life of Christ.
