

FINDING FAITH: Small Group Bible Study inspired by the movie "Divine Will"

INTRODUCTION

Divine Will is a Christian comedy-drama and musical that tells the story of Will Blessing, a young man with a "divine gift" for helping people. To get a fresh start, he and his former rock star uncle, Dave, move to the quirky town of Punkyville, Kentucky, where Dave becomes the new church choir director. Under Dave's musical guidance and Will's unique ability to bring about "miracles," the town and its eccentric residents are transformed by faith, love, and music. The film explores the themes of community renewal, God's work in unexpected ways, and the power of divine gifts to bring about change.
