

FINDING FAITH: Small Group Bible Study inspired by the movie "Summer Snow"

## INTRODUCTION

Hallie Benson may be small, but her heart is anything but. From baking cookies for a grumpy neighbor to selling toothbrushes to support a friend in need, Hallie is constantly dreaming up creative ways to help others. While her good intentions often leave a trail of chaos behind, her compassion is impossible to miss.

Her father, Dan Benson, is doing his best to hold the family together after the heartbreaking loss of his wife. Overwhelmed and grieving, Dan struggles with the everyday tasks she once handled so effortlessly—cooking meals, doing hair, and guiding their three children with the steady faith that defined her life. As Hallie continues to shine her quiet light, her family begins to discover that even the smallest heart can spark hope in the darkest seasons.

Pray for the comfort of the Holy Spirit for those who are brokenhearted. Pray for the strength and humility to endure trials leaning not on ourselves, but on the "God of Hope".
